As a busy person, it is essential to prioritize your health. You deserve to feel vital and energized, even with a demanding schedule. Don't let your active lifestyle negatively affect your well-being. Take charge of your health and make it a top priority. Remember that a healthy body and mind benefit not only you but also those around you. At Aid+ Remedies, we offer natural formulas that promote better health and boost your ability to heal and prevent major illnesses. Our approach is to provide a natural and intelligent solution that restores vitality to your body and rejuvenates your health.

Discover the power of Aid+ to safeguard your well-being.

Aid+ provides an all-natural approach to improve and maintain your health. Our collection of remedies has been expertly formulated to help you feel better, look better, and enjoy more robust wellness. Suitable for men and women of all ages, our remedies are designed to reduce the frequency of sick days and illnesses.

We use only the best quality ingredients and ensure exceptional safety standards.

Our Aid+ Remedies are created using pristine herbs that undergo lab testing for heavy metals, pesticides, and microbes. We use a GMP Kosher and FDA-certified facility to decoct the herbs into tea and dry them to a powder, just like traditional remedies have been made for centuries.

Our remedies are made using 100% natural ingredients and do not contain any pharmaceuticals, synthetics, preservatives, fillers, impurities, or additives commonly found in other products. Moreover, our vegetable-based capsules are easy to swallow and gentle on your system. All of our products are certified GMP, Kosher, and Vegetarian.

ABOUT HEN HARPAZ

Hen Harpaz is a licensed and nationally board-certified acupuncturist and clinical herbalist. He founded his successful practice in New York in 2013 and runs a full-time Rockland County clinic. His expertise is treating modern health problems and illnesses using classical, all-natural, and drug-free medicine. Hen offers a comprehensive approach to healthcare, addressing the underlying causes of health issues rather than just the symptoms.

Hen received his Master of Science in Acupuncture and Eastern Medicine from the prestigious Pacific College of Oriental Medicine in New York City, where he gained extensive knowledge of Eastern medicine, acupuncture, and herbal medicine. He also completed an apprenticeship at the Oncology department at Beth Israel Medical Center in New York City, where he worked with cancer patients.

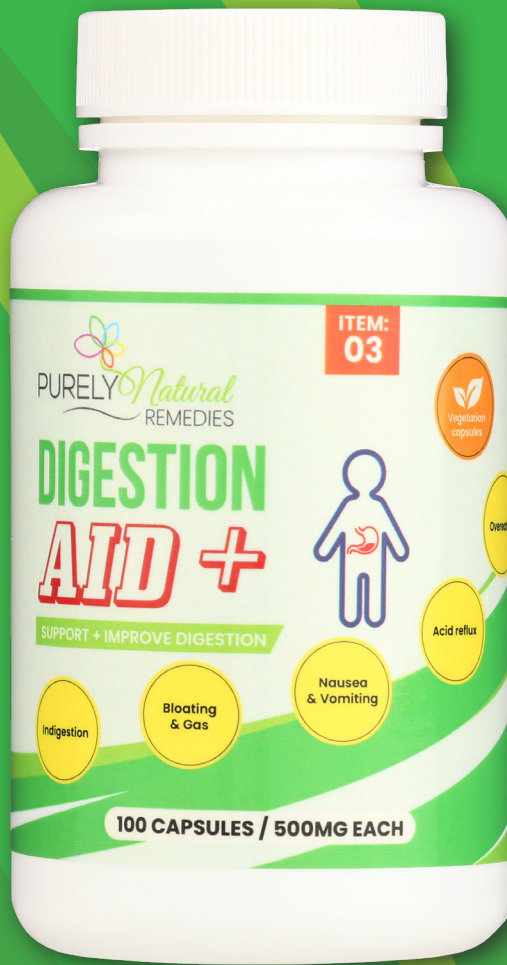

In addition to his apprenticeship, Hen participated in a student exchange program at the Albert Einstein College of Medicine in the Bronx. This program allowed him to study alongside Western physicians and gain valuable insights into the world of Western medicine.

Hen offers personalized, high-quality healthcare services to help patients achieve optimal health and wellness.
